

August 26, 2003

Dear Friends,

It is almost September and time for the first California Legislative Roundtable (CLR) meeting of 2003/2004! We are looking forward to getting together to share what's going on with each of our organizations, ideas for upcoming meetings/events, and to discuss the future of CLR.

As you can see from the agenda, we are not having a speaker at this meeting. It is almost the end of session – giving us a great opportunity to hear about each organization's legislative agenda and any requests for support on bills that are in the final stages of the legislative process.

We are trying something new this year – holding our meeting at the State Capitol! We hope the new meeting location will be more convenient for those that spend endless days working at the capitol, and offer a change of scenery for the rest of us. We'll see how well it works!

Please bring a friend and join us at September 4<sup>th</sup> at the State Capitol, Room 113!!!

Sincerely,

Eunice Stewart  
Chairperson

Coco Gumacal  
Vice Chairperson

Please note change in meeting location!!!!!!
